

What is the Camper Scholarship Program?

Camper fees at Tel Hai Camp & Retreat are much lower than many other camps, but in spite of this fact, many parents only have money for the bare necessities and simply cannot afford to send their children to camp. Our Camper Scholarship Program is a financial assistance program which has been set up especially for children who would like to come to camp but are not able because of lack of funds.

A donation to our Camper Scholarship Program is an investment in the lives of children . . . children who might not otherwise have the opportunity to come to camp.

As you read the enclosed information, will you prayerfully consider your involvement?

WHO BENEFITS FROM CAMPER SCHOLARSHIPS?

Full and/or partial scholarships are available on a first come, first served basis to all who request them and meet the basic criteria. The program is available to all children regardless of race, color or national origin.

HOW DO CAMPER SCHOLARSHIPS WORK?

A special account designated CARE Scholarships has been set up. When donations are received, 100% of the funds given are placed in this account. Each year close to summer camp time, these monies are made available to campers in the form of scholarships. There is an application screening process established and the funds are distributed according to these criteria. Donations to this fund CANNOT be designated for a particular camper.

HOW CAN I GET IN ON THIS EXCITING OPPORTUNITY?

Simply fill out and return the attached slip to Tel Hai Camp & Retreat or make a donation online through the link on the Camper Scholarship webpage. You will receive a receipt and acknowledgement for your gift as well as a summary of how the funds were used and a thank you (often from campers.)

OTHER INFORMATION:

All donations to this program are tax deductible.
